general terms conditions

So as to be able to benefit from the proposed services, we would ask you to read the general booking terms set out below attentively. These terms govern the sales of stays, and are valid at the moment the booking is made. Reserving a stay implies full compliance with our general booking terms.

DATES AND OPENING TIMES :

The Cap Taillat campsite is open from 3rd April 2021 to 31st October 2021. The reception desk is open every day: - Low season (April - June and September - October) from 9.00 a.m. to 12.00 noon, and from 3.00 p.m. to 6.00 p.m. - Peak season (July & August) from 8.30 a.m. to 12.30 noon, and from 3.00 p.m. to 7.30 p.m. Telephone lines are open throughout the year for any information, from Mondays to Saturdays, between 9.00 a.m. and 12.00 noon, and between 2.00 p.m. and 6.00 p.m.

BOOKING TERMS :

The booking takes effect only with the agreement of the campsite, after reception of the deposit and the reservation form duly completed and signed, or after acceptance of the general terms of sale for on-line bookings. The reservation of a camping pitch or of rented accommodation is made on a strictly personal basis. In no case is it authorised to sublet or to hand over one's reservation to another party without first obtaining permission from the management. Under-age children must be accompanied by their parents or legal guardians.

The camping pitch: The basic rate includes the pitch for the tent, the caravan or the camper for 1 or 2 people, electricity and access to the reception infrastructures. Additional costs (extra person, child or adult, or additional vehicle) are not included in the fixed rate, and will be added to the aforesaid set rate. The time of arrival is fixed at 2.00 p.m. at the earliest, and the time of departure will be no later than 12.00 noon. It may be possible to stay longer on the site according to availability.

Rentals: The rented accommodation includes a fitted kitchen, shower-room and bedroom(s). N.B. It is important to note that sheets, tea-towels, dusters, cloths (for household tasks), household cleaning products and towels are not provided. • The rates for rentals include the people (depending on the size of the accommodation), water, gas, electricity, a vehicle and access to the facilities on the campsite. During the peak season (July & August), only bookings for a minimum of 7 days are accepted. The campsite reserves the right to refuse access to groups or families who arrive with more people than the rented accommodation can cater for, or to increase the cost of the stay.

RATES AND TOURIST TAX:

The prices indicated are valid for the 2021 season. They correspond to a rented accommodation for one night, in euros, all taxes included, barring the tourist tax, which is € 0,66 per day and per person of and over 18 years of age. This tax is collected by the municipality, and is invoiced with your accommodation. You will be required to pay this tax on your arrival at the campsite.

TERMS OF PAYMENT:

You will be required to pay a 50% deposit when you make your booking, and the balance is to be paid 30 days before your arrival. Should the reservation be made less than 30 days before your arrival, then the total amount of the stay must be paid when booking, and BY BANKER'S CARD ONLY. Should the

balance of the stay not reach us within the 30 days before the arrival date, the stay will be considered as cancelled (see terms of refund of sums paid in the paragraph "Cancellation by client").

HOW TO RESERVE :

- By Internet: Log onto www.camping-captailat.com and book your stay on line 24h/24, (security of payment) in less than 10 minutes. Payment can be made by banker's card only (visa, debit card, Mastercard). You will be required to pay a 50% deposit of the total amount of your stay, and, with your agreement, the balance of your stay will be directly debited (on the same banker's card) 30 days before your arrival. By telephone: Our sales team will advise you according to what you are looking for, and your budget, and will register your reservation. You will be required to pay a 50% deposit of the total amount of your stay when you make your booking. By ordinary mail: Send us your reservation form, together with a 50% deposit of the total amount of the stay. Whichever booking formula you choose, you will be asked to pay a deposit in order to validate your booking. Upon reception of your booking form and deposit, we will then confirm your reservation. The balance of your stay is to be paid 30 days before your arrival. We reserve the right to choose the allocated places. It is imperative that you complete the booking form correctly. Any incomplete or illegible booking form risks holding up the processing of the file.

CANCELLATION

Due to the buyer:

All cancellations must be notified by post, which shall go into effect on the date

of receipt of the letter.

For the cancellation of a bare pitch, whatever the date received, the full amount of the booking shall be kept.

For cancellation of rented accommodation:

- More than 30 days before arrival, the amount of the deposit shall be kept by the campsite.

- Less than 30 days before your arrival, the total amount of the rented accommodation, booking fees and insurance fee shall be kept.

For possible damages, we ask you to take out cancellation or stay interruption insurance at the time of your booking.

Due to the campsite:

If the Cap Taillat campsite is obliged to cancel its rental of a bare pitch and/or rented accommodation at any campsite whatsoever that appears in this brochure, any contracting party having received its confirmation of stay, shall be informed by registered letter and reimbursed in full for the amount it has paid.

Cancellation insurance

We advise you to take out a cancellation insurance which will allow you, under the terms of the contract, to be refunded if you had to cancel or interrupt your stay. This optional insurance must be underwritten and paid during your booking (conditions available and downloadable on our website:

<https://www.camping-captailat.com>)

Any cancellation must be notified by registered mail, the cancellation takes effect on the day the mail is sent, the postmark being taken as proof.

-A delay on arrival, exceeding 24 hours and not reported, implies the cancellation of the stay and the loss of the deposit.

YOUR STAY:

1. Rented accommodation: The rentals will be at your disposal as from 4.00 p.m. the day of your arrival. A security of € 600 will be requested on the client's arrival, before he/she is handed the keys. This security will be given back to the client, after a complete inspection of the premises (INVENTORY) the day of his/her departure, or at the latest after a delay of 8 days maximum. The management reserves the right to keep all or a part of the security in the event of a non-respect of the hygiene and/or of the rented material. If the departure of the client is to take place outside reception opening times, the rented accommodation will be inspected later, and the security cheque will be returned by post within a maximum of 8 days. 2. During your stay: It is for the holiday-maker to make his/her own arrangements where insurance coverage is concerned; the village accepts no responsibility in the event of theft, fire, bad weather etc., or for any incident concerning the holiday-maker's TPL (Third Party Liability). Each titular resident of a rental is responsible for any disturbance caused by the people sharing the said rental, or by any visitors received in this rental. 3. Departure: Rentals: On the day of departure indicated on your contract, the rented accommodation must be vacated before 10.00 a.m. The accommodation must be left in a perfect state of cleanliness. An inventory will be carried out, and the cost of repairing any damage or breakage will be borne by the client. Likewise, the client will bear the cost of getting the accommodation back into its original state, should this be necessary. The security charge will be given back at the end of the stay (or will be posted to you no later than 8 days after your departure), after deduction of any sum intended to cover the costs in the event of any damage being noted during the inventory at the end of the stay. The holding back of the security does not exclude the right to request further compensation should the costs exceed the sum of the security. Should the rental not have been cleaned before your departure, you will be requested to pay a fixed price of € 60 per bungalow for cleaning services. For any delayed departure, an additional day could be invoiced to you (nightly rates in force).

ANIMALS:

Pets of category 1 are accepted at a fixed price (refer to "Rates Terms"). Animals must at all times be supervised, and kept on leads by their owners during the stay at the campsite. Any non-respect of hygiene or of safety caused by the animal could be punished by the eviction from the campsite of its owners, with no refund whatsoever of the sums paid. The vaccination papers for dogs and cats must be up to date and valid and will be required at your arrival. Animals are strictly forbidden around the swimming-pools, in food stores and inside the campsite's buildings.

LITIGATION:

In the event of litigation, competence is delegated to the courts based in the jurisdiction of the campsite.

To resolve any dispute, please first contact customer service at the office. If your concern is not resolved, you have the option to request mediation via Medicycs consumer services, provided that you do so within one year of the date you submitted a written copy of your complaint to us, with return receipt and signature confirmation.
